By JOHN SCALI

WASHINGTON (AP) — The Western Big Three called on the Soviet Union today to discuss the entire German problem, including Berlin's future, at a new four-power conference. They rejected firmly any such talks under menace or ultimatum ultimatum.

In similar notes, the United States, Britain and France.

1. Flatly rejected Premier Nikita Khrushchev's proposal to turn West Berlin into a so-called free city.

2. Denounced as a violation of international agreements Khrushchev's announced plan to turn Soviet controls in East Berlin to the East Germans.

3. Served notice the three Allies intend to keep their forces in West Berlin to protect the freedom and security of the more than two million West Berliners.

In offering to talk over the German deadlock, the United States said in a 2,000-word note that it is "ready at any time to enter into discussions with the Soviet government."

The note emphasized that the proposed talks would not be on the Berlin problem alone, but should embrace "the wider framework of negotiations for a solution of the German problem as well as that of European security."

The note mentioned the need to talk over Western proposals for free all-German elections or "any other proposals, genuinely designed to secure the unification of Germany in freedom."

No date or place was suggested for the talks. Nor was there any hint of the level at which the discussions would be held.

Some Western diplomatic officials are known to be thinking, in terms of a Big Four foreign ministers conference some time in the spring.

LONDON (AP) — Britain today rejected Russia's proposal for changing the occupation status of Berlin, but offered to discuss the divided city's future within the framework of the German problem as a whole.

In one of the most comprehensive notes it has ever delivered on the German problem, Britain stated it was not prepared to relinquish its right to remain in West Berlin.

The British note was delivered to Moscow today along with the U.S. and French replies to Soviet Premier Nikita Khrushchev's note of Nov. 27.

Hoffa said they do not in any way accept the Soviet one-sided denunciation of the agreement under which the four powers occupy Berlin.

NEW YORK (AP) — The New York Times said today that Teamsters President James R. Hoffa has killed plans for a move by the union to cut off deliveries of vital supplies to police installations in this city.

The Times said Hoffa notified his local aides Tuesday that he would tolerate no interference with regular police operations as an outgrowth of union picketing of police headquarters.

The Detroit Times reported Hoffa told it Tuesday that New York aides were advised they could "advertise the unfairness of the police department by passing out handbills and that is all."

The Detroit newspaper also said Hoffa told it he hadn't been taken into confidence before announcement of the New York organizing drive, saying, "I didn't know a thing about it."

Plans of the much investigated union to picket the police department stirred up a hornet's nest of criticism.

Police Commissioner Stephen P. Kennedy said unionization of his force would make Hoffa police picket.

In an announcement Monday night, Henry Feinstein, a Teamsters official, said picketing of police installations would begin Jan. 12 in an effort to cut off fuel deliveries and other supplies.

Feinstein heads a nationwide drive, approved by Hoffa, to bring all policemen, firemen and other state, county and municipal workers into the union.

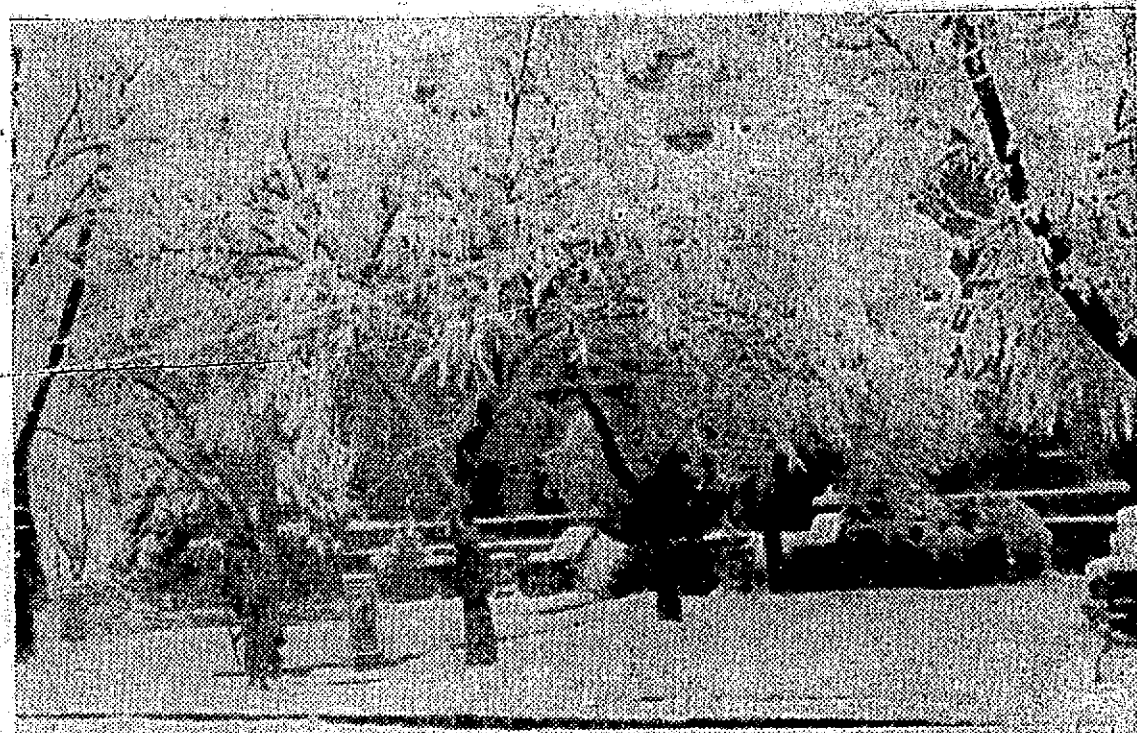

The reaction of State Atty. Gen. Louis J. Lefkowitz to the picketing announcement was: "I shall use the full power of my office to prevent unlawful interference with the police department or any other government agency."

Martin Luther Lynch, a former resident of this area, died Monday at Bonham, Texas.

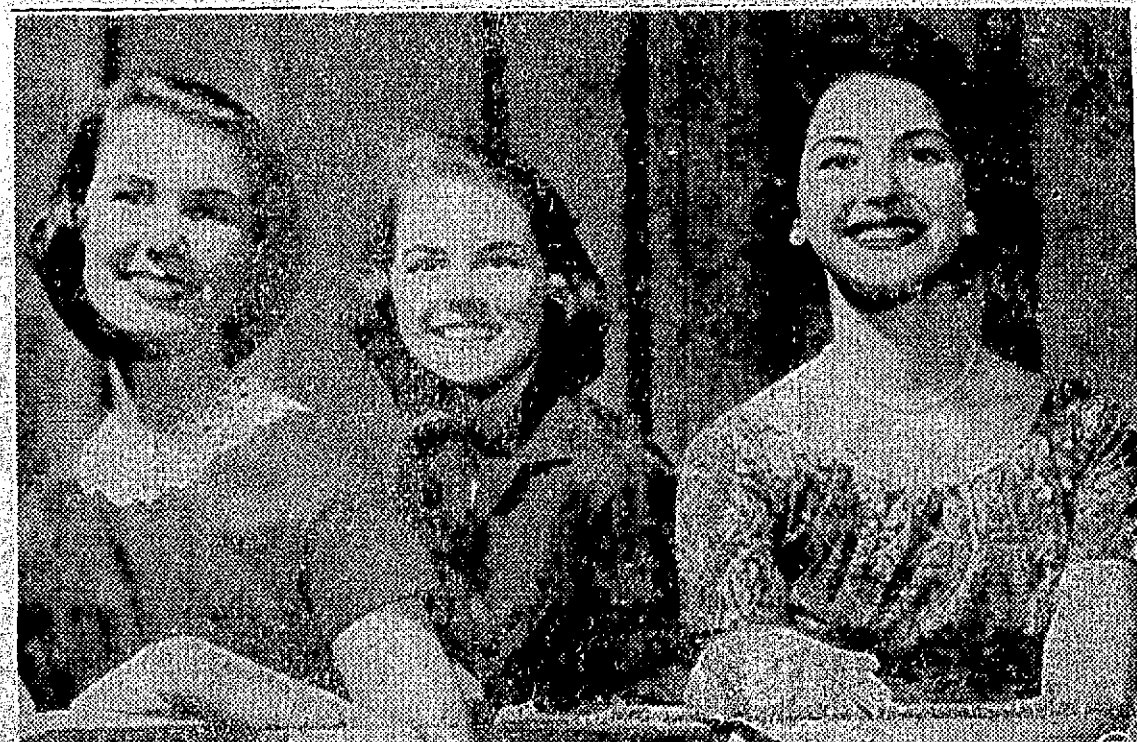

Graveside services will be held at 2 p.m. Thursday at Shell Cemetery at Bonham by Herman Cornelius.

Union Prober to Give Away Fee

WASHINGTON (AP) — George H. Bender says churches, hospitals, schools and charitable institutions will get about \$15,000 he received for investigating the racket-ridden Teamsters Union.

The former Ohio Republican senator says the rest of the \$20,250 he has been paid by the Teamsters as chairman of the Union's anti-racketeering commission will be used to pay income taxes on the entire amount.

Senate investigators have denounced Bender's job as a whitewash attempt by Teamsters President James R. Hoffa. They have said Bender's pay was a waste of union funds. The racketeers committee has said Bender reported he found no corruption in the big union.

Bender said the money will go to 22 Ohio institutions.

The largest single donation listed by Bender was \$1,500 for the Chagrin Falls Methodist church in his home town, Chagrin Falls, Ohio.

The success of this program can be attested to by the fact that the choir has made two successful tours of the Far East, has sung at eight consecutive Lions Club International Conventions, has been sponsored on regular radio and television programs for more than a decade and has achieved international recognition.

Colorful costumes, good showmanship and fine musicianship are integrated carefully into each appearance of the choir. The director believes that a choir's appeal lies in an attractive appearance as well as effective singing.

CHICAGO (AP) — A 69-year-old man, indicted for killing his bedridden wife, has been freed.

Otto Werner, frail and trembling, appeared before Chief Justice A. L. Marovitz in Criminal Court Tuesday and pleaded guilty to manslaughter in connection with the death of his wife, Anna, 69, in their home last Sept. 21.

After asphyxiating his wife, a hopeless, emaciated, and suffering from an overdose of sleeping pills in an effort to end his own life, he was found unconscious at his wife's bedside.

After Werner's plea, his attorney introduced a letter from Mrs. Werner's physician, Dr. Michael J. Scaramella, who said Mrs. Werner had often told him she wanted to die because she was suffering from pain that she felt she was a burden to her husband, and she had asked the physician to end her life.

A daughter, Helen Bryk, testified that her father cared for his wife solicitously, and often slept on the floor beside her bed to be able to attend her during the night.

Judge Marovitz set aside Werner's plea of guilty, commending the jury's verdict. A jury had found the case it would have acquitted Werner.

Centenary Choir to Sing Here Jan. 6

The Singing Ambassadors of Centenary College, Shreveport, will appear at the Hope High School auditorium at 7:30 p.m. Jan. 6, under the auspices of the Friday Music Club of Hope. It was announced today by Mrs. Jewell Moore Jr., president.

All proceeds will go to the 1959 March of Dimes campaign. Admission prices will be \$1 for adults and 50c for children.

The 40-voice Centenary College Choir is directed by Dr. A. C. Yoran, affectionately known as "Cheesy," a nickname which has carried over from his undergraduate days at McPherson College of McPherson, Kan.

The honorary doctors degree was bestowed on Yoran two years ago by McPherson College in recognition of his achievements with the Centenary College Choir.

"Cheesy" has developed an intensive training program for his choir members. The program includes a ten-day summer training camp, daily rehearsals and frequent conferences with the officers elected from the choir membership.

The success of this program can be attested to by the fact that the choir has made two successful tours of the Far East, has sung at eight consecutive Lions Club International Conventions, has been sponsored on regular radio and television programs for more than a decade and has achieved international recognition.

Many Highways in N. Arkansas Coated With Ice

By THE ASSOCIATED PRESS

Snow fell in scattered sections of northwest Arkansas today and the weather bureau said two to three inches might cover the area by tomorrow.

The snow, mixed at some points with freezing rain, and a forecast of temperatures in the 20s tonight west were coated with a glaze of ice.

Some roads in the extreme northwest were covered with a glaze of ice early today but all remained open. There were many slick spots, however, especially on hills on U.S. Highway 71 between Fort Smith and Fayetteville.

Fayetteville and Springdale had two inches and Berryville 1 1/2 inches of snow on the ground in mid-morning. Light, damp snow also was reported in the Harrison area. U. S. Highways 68 and 62 west of Harrison were listed as extremely hazardous by State Police.

The thermometer held up well under the assault of a cold wave which moved into Arkansas yesterday. Temperatures slid into the 30s in the afternoon and were expected to drop into the 20s during the night — but 32 degrees, registered at Fayetteville and Flippin, was the low temperature reported to the U.S. Weather Bureau at Little Rock.

Other lows included: El Dorado and Texarkana 40, Fort Smith 37, Little Rock and Walnut Ridge 36, Pine Bluff 37 and Memphis 41.

Precipitation measurements for the 24-hour period ending at 7 a.m. today included: El Dorado 14 inch, Fayetteville 18, Flippin 25, Fort Smith 52, Little Rock 07, Pine Bluff 06, Texarkana 98 and Walnut Ridge 01.

The Arkansas forecast calls for more snow in the northwest through the afternoon and night. Cloudy skies and cold temperatures with rain showers or drizzle are in the outlook for rather quiet days of the state.

Only the inner door was locked and Guyer opened it with a screwdriver about five minutes later and called police.

The bandits were chased into a roadblock by State Police Lt. R.E. Brown, who spotted them about five minutes after an alarm was broadcast.

Brown said the men put up no resistance although all were armed.

Templeton said he had ordered 25 State Police units from as far away as Wynne and Brinkley to converge on the area.

The accused men were held at the Jefferson County Jail at Pine Bluff on open charges.

WASHINGTON (AP) — American workers will pay higher Social Security taxes starting Thursday, and more than 12 1/2 million persons now receiving benefits will get larger checks.

Before the year is over, the tax increase will have affected an estimated 74 million workers, not all of them employed in any one period.

The tax rate goes up from 3 to 2 1/2 per cent on the first \$4,800 earned, effective with the first paycheck received in January. The tax currently applies to the first \$4,800 of annual pay.

It is estimated that about 15 million covered workers will have to pay the maximum 27 per cent tax increase during 1959. Their levy will jump from \$94.50 to \$120, due to the combination of increased rate and higher taxable salary base.

Employers will pay the same increase as the workers, making the total Social Security tax run 5 per cent instead of 4 1/2 per cent.

The rate for self-employed persons goes up from 2 1/2 to 3 per cent, also on a \$4,800 taxable base. An estimated 1 1/2 million will pay the maximum 27 per cent increase.

On the benefit side, a retired worker now getting the maximum of \$108.60 a month will receive \$116 a month. Active workers, the first 1959 check delivered during the first week in February. At the bottom of the scale the retired worker getting \$30 will get \$33.

Some 30 members of the Hope Baptist choir and their coaches will board a special chartered bus to leave for the Cotton Bowl where they will face the BWC Champ TCU single with the Air Force Academy Falcons. The boys will board the bus for home followed by the girls. The trip is an appreciation reward from Hope fans for the only undefeated and undefeated season in the history of football in Hope.

The money was raised by the Hope Booster Club through voluntary solicitation down town and needless to say the fans came through in fine fashion for the squad which gave them an undefeated season.

Willie Harris and family will leave sometime today for Washington, D.C. where they will live with the new U.S. Congress and will serve as the new U.S. Congress.

From Paris, France comes a report that James C. Cross Jr. has received the Eagle Scout award and rank, presented by Roy C. Joseph, ambassador at special Court of Honor at the chateau of St. Germain. He is the son of Col. and Mrs. James C. Cross and grandson of Mrs. Ralph Boudon of Hope and was the first boy to receive the Eagle rank at the International Boy Scout Troop at Supreme Headquarters, Allied Powers in Europe.

James attended school in Hope in 1933 and is now a student at the Paris-American High School near Paris.

The Order of the Eastern Star will hold its regular meeting on Thursday night, Jan. 1 at 7:30 at the Masonic building. All members are urged to attend.

Rebel Forces Smashed by Cuban Army in Drive to Capture Santa Clara

Trio Captured Shortly After Robbing Bank

PINE BLUFF, Ark. (AP) — Three bandits took almost \$7,000 from a bank at nearby Sherill yesterday but were nabbed by State Police within an hour.

The money — \$6,928.57 — was recovered. It was taken at gunpoint from the Sherill branch of the Simmons National Bank of Pine Bluff.

State Police arrested four men at a roadblock near Lonoke about 40 minutes after the robbery. Capt. Alan R. Templeton of the State Police Criminal Investigation Division said three of the men admitted stealing the holdup and the fourth said he drove the car.

Templeton identified them as Elmer Murphy, 20, and James L. Atkins, 24, of Little Rock, Thomas C. Brown, 24, of North Little Rock, and Ernest E. Richmond, 27, of Los Angeles, Calif. He said all are Negroes.

Templeton said Brown told him he drove the car and the other three went inside.

U.S. H. Guyer, 30, manager of the branch, said he and J. R. Bost, 22, a teller, were alone when two of the men entered the bank shortly after 1 p.m.

Guyer said they forced him to admit a third man through a back door, then locked Guyer and Bost in the vault.

Only the inner door was locked and Guyer opened it with a screwdriver about five minutes later and called police.

The bandits were chased into a roadblock by State Police Lt. R.E. Brown, who spotted them about five minutes after an alarm was broadcast.

Station Blast Leaves a Woman Injured

DANVILLE, Ark. (AP) — A service station was demolished by an explosion and fire at nearby Belleville today. A woman attendant was injured in the blast.

Miss Annabelle Moudy, about 30, was hurled across the room by the force of the explosion. Authorities said apparently it was caused by the ignition of gasoline which had overflowed from a storage tank.

Miss Moudy was taken to a Russellville hospital where attendants said she had suffered a broken pelvis and burns. Her condition apparently was not considered critical.

The Danville Fire Department was summoned but was unable to save the building.

Lee Moudy, father of the injured woman, owned the station.

Old Strikes Continue to Idle Airlines

By THE ASSOCIATED PRESS

Old strikes continued to plague two of the nation's major airlines on the eve of the new year.

Government officials showed signs Tuesday of increasing annoyance with the prolonged disputes at Eastern Air Lines and American Airlines.

The National Mediation Board sent a strongly worded recommendation to Eastern and its striking flight engineers to take immediate steps to settle the strike, which began Nov. 24.

The board urged arbitration, if necessary.

Sen. Barry Goldwater (R-Ariz.) suggested the strike of pilots at American could lead to federal legislation outlawing strikes in transportation industries.

The threat of a walkout against a third major line — National Airlines — dimmed somewhat when the Air Lines Ticket Agents Association formally accepted an offer from the national board to mediate.

The association's dispute with the company is over a proposed 10 per cent wage increase. The association is preparing a strike vote against National in protest of the dismissal of an agent in New York.

The national board told Eastern and the engineers in a telegram that "your economic tug-of-war must come to an end. (You) must now yield to the right of the public to have adequate air transportation by agreeing on a peaceful method to settle this dispute."

The board suggested that all engineers return to work "without discrimination and with seniority unimpaired." Talks should be held for five days, the board said, and then a settlement should be signed with all issues still unresolved going to arbitration.

Eastern accepted the recommendations promptly on condition the striking union did likewise.

The engineers said they made counterproposals embodying what they called minor changes in the mediation board's suggestions.

A federal mediator has been conducting separate talks with each side in the latest stages of the deadlock.

The engineers struck to protest a company demand that they qualify as pilots for jet runs. When a federal court ruled this was not a legitimate strike issue, the engineers stayed out for better pay and improved working conditions while appealing the court ruling.

The American pilots quit work Dec. 20 for more pay, shorter hours and pay or other compensation for nonflying time away from home. Under their old contract they received a top of \$1,602 monthly.

Reportedly 3000 Killed, Wounded in Street Fights

By LARRY ALLEN

HAVANA, Cuba (AP) — Army forces today smashed a rebel attempt to capture Santa Clara in central Cuba and are driving the insurgents eastward, the government said.

Rebel broadcasts conceded that the fighting now had moved north and east of that city controlling highways from Havana to eastern Cuba.

Fighters, bombers, artillery, tanks, armored cars and infantry were reported attacking rebels everywhere in Las Villas province, of which Santa Clara is the capital.

A rebel broadcast said forces in the town of Cruces just west of Santa Clara "are no longer able to resist the face of attacks by government troops."

Government sources put rebel casualties in the furious street-by-street fighting in Santa Clara at 3,000 killed or wounded.

Government losses were not indicated.

The rebels appeared to be in a bad way. One rebel commander was heard radioing urgently for reinforcements. The government is known to outnumber the rebels in Las Villas.

Rebel broadcasts, which had been saying the overthrow of Batista was imminent, stopped talking about the fighting in Las Villas.

The rebels claimed new successes in the town of Cruces, where they captured the city of Guantanamo, 27 miles north of the U.S. naval

planes are backing up the troops in fighting against an estimated 3,000 rebel foot soldiers.

Normal communications with Santa Clara were disrupted and reports from there conflicted. Reliable sources estimated the casualties at 3,000 and said they might go higher. A government source claimed aerial attacks alone had inflicted 2,000 rebel casualties.

Some government sources said the army was now clearing up in the city, hunting rebels from house to house and warning civilians of a death penalty for aiding rebels. Many civilians had fled the city of 150,000 persons since street fighting began Monday.

Towns attacked by government planes in the last two days beside Santa Clara included Cruces, 20 miles west of the provincial capital; Cumanayagua, 30 miles south-west; Pomento, 25 miles south-west of Santa Clara.

WOODLOTS CAN BE GOODLOTS! PROTECT YOUR WOODS FROM FIRE

Dear Dorothy Dix: My sister's marriage has been a stormy one, fraught with in-law troubles of an unusually serious nature. Her husband, too, is a problem. He has a very quick temper and beats her unmercifully.

Dear Dorothy Dix: I am a 30-year-old married woman who has been married for five years. I am a very good mother and a very good wife. I am a very good person. I am a very good person.

For a winter vacation in the sun, knitted fashions are ideal companions. These are from the resort collection of Gino Pauli; all are done in a flat, firm woolknit. The lines are easy and relaxed; the colors clear and flattering. The Empire line is indicated (left) in this slim biscuit-colored dress with set-in waistband of white. Waistband dips slightly at the back. A two-piece dress in pale pink is worn (center) with matching coat that has oversize collar and deep cuffs trimmed in fringe. Dress has applied black motifs in contrasting color. The true Empire line appears (right) in dramatic dress of white trimmed in brilliant red. Matching coat is cut with simple, straight lines; is textured for contrast with the dress.

The high-waisted look of the new spring coat is handled in many ways by the nation's top designers. Here are two variations on a high-fashion theme. Original's sky blue coat (left) has above-waistline seaming and soft skirt with panels. Shallow mandarin cowl neckline has single jeweled button which is repeated at waistline. Lacy yellow wool coat by Marquise (right) has seamed Empire waistline with fabric bow. Collar has flat, open cut.

DOROTHY DIX

A Wise Wife Wins Out Over the Other Woman

Dear Dorothy Dix: At present I have no problem; you solved it for me. I'd just like to relay my story to other wives in the same boat. After 15 years of a happy marriage my husband had a violent love affair with another woman. It lasted six hectic months. They went away on weekends, he gave her expensive gifts and accepted presents from her. They even took a vacation together in Florida. My first instinct when I heard about it was to pack up and leave. I'm a constant reader of your column and have often read your advice to women in similar circumstances. I told your head up and hid it out. I have a very good job, we have a beautiful home and I was going to give that up for her. When she stopped at the house to pick him up, I ignored them both. She phoned him constantly at home and I knew he'd get tired of her. I also knew he still loved me. He gave me presents, paid the household bills and continued depositing money in our joint savings account. I prayed day and night and my faith was rewarded. He came back crawling, begging me to forgive and forget. Now he compliments me on my clothes, housekeeping and cooking, which he had never done before. He helps around the house, takes me out and now he's planning a wonderful trip for our vacation. He tucked the grass on the other side of the fence and found it bitter. During those trying six months I often felt that nothing was left but I would not encourage him in your column. Thanks a lot. D. P. Dear D. D. It's not easy to ride out a bad situation like yours; it's so satisfying (for the moment) to yield to an impulse, pack up and dramatically walk out. This is no solution. Patience and faith, however, will see you through. Congratulations on your good sense and on the happy outcome.

Hoffa Plans Advertising Picketing Only

WASHINGTON (AP) — Teamsters boss James R. Hoffa was quoted by an aide today as saying the union only intends to conduct advertising picketing of New York City police stations—not blockade them.

This seemed to veto the announced plans by a New York Teamsters leader, Henry Fein, who has said organized picketing of police installations in the city would start Jan. 12 in an effort to cut off deliveries of fuel and other supplies.

Jim Harding, a public relations man at Teamsters' headquarters here, said Hoffa "could be quoted as saying:

"There will be no stoppages of any deliveries and no interference of any services under jurisdiction of the Teamsters Union. The planned picket lines are for advertising purposes only."

Pickets, he said, will advertise the Union's intention to organize the police but will not block police station entrances.

The New York Times said today Hoffa had notified his aides in New York that he would tolerate no interference with regular police operations.

Believes Alford to Get Seat

WASHINGTON (AP) — Rep. E. C. Gathings (D-Ark.) said today prospects are "very favorable" that Dr. Dale Alford, Little Rock segregationist, will be seated as a member of Congress.

Alford, running as a write-in candidate, defeated the veteran Rep.

Brooks Hays (D-Ark.) in the Nov. 4 general election.

Subsequently two challenges were raised against Alford — one, that he should not be regarded as a Democrat; the other, that he should be denied his seat pending an investigation of his election.

Gathings said that he believes "the situation has crystallized in favor of Alford."

Both Speaker Sam Rayburn (D-Tex.) and Rep. Carl Albert (D-Okla.), Democratic whip, have made statements favorable to Alford, Gathings said.

He said he expects the House Democratic caucus to accept Alford as a Democrat on Jan. 6 and the House to seat him the following day.

Van Buren Girl Given an Award

NEW YORK (AP) — A white student at Van Buren, Ark., High School has been named one of 10 "Young Women of the Year" by Mademoiselle magazine for her role in the school's integration development.

Jessie Angelina Evans, 15, president of the high school's student council, was cited for the part she played when 45 white students boycotted the school last September because it was integrated.

The citation said Miss Evans informed a school board meeting that a poll had shown many white students accepted integration.

She challenged a group of segregationists at the public meeting to let the students decide for themselves on the racial issue.

"We shute her," the magazine citation said, "for her fearlessness, her insistence on thinking for herself and then forthrightly acting on the truth as she saw it."

Others in the "top 10" were Pat Farrar, television producer; Jane Addams, cultural exchange specialist; Betty Carol, fashion designer; Ann Bancroft, Broadway actress; Blanche Van Odom, novelist; Rosalind Ellis, singer; Marcell Rogers, fly planner; Natalie Carbon Mangini, atomic scientist; and Violette Verdy, dancer.

North Carolina and Cincinnati Are Defeated

By MURRAY ROSE
Associated Press Sports Writer

Mighty Cincinnati and North Carolina have bitten the dust. It happened Tuesday night when top-ranking Kentucky and powerful Kansas State barely escaped with one-point victories. If those two had fallen, it would have been a night of disaster for the four leading teams in college basketball.

Cincinnati, No. 2 nationally behind Kentucky, was racked up 69-60 by fifth-ranked, once-beaten North Carolina State in the semifinals of the Dixie Basketball Classic at Raleigh, N.C.

Unbeaten Michigan State, No. 7, upset fourth-ranked, undefeated North Carolina 75-58 in the other semifinal.

Michigan State and N.C. State will battle for the title tonight. N.C. State jumped into a quick lead and held it to upset Cincy and All America Oscar Robertson, who scored 20 points. Bill Richter of Philadelphia scored 20 points for the Wildcats.

Unbeaten Kentucky had to weather a scoring spree by surprisingly tough Illinois in the last four minutes to scrape past the Illini 79-75. Sid Cohen scored 23 points to pace the Wildcats to their 10th victory.

Big Bob Bozer racked up 32 points, including the vital ones, in leading third-ranked Kansas State to a come-from-behind, 67-66 victory over fired-up Colorado. The win gave the Wildcats the Big Eight Tournament championship at Kansas City.

Mississippi State's unbeaten, eighth-ranked quintet trounced Memphis State's defending champions 73-55 in the finals of the Sugar Bowl championship at New Orleans. Bailey Howell was the big man for the Maroons with 23 points.

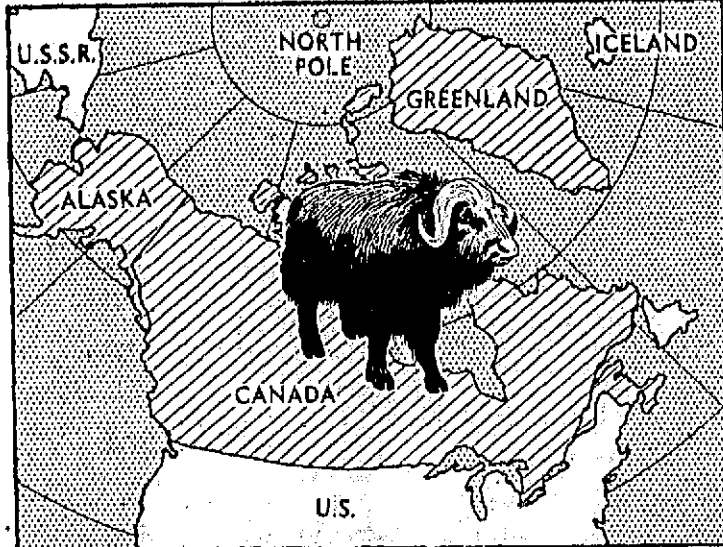

Other tournament champions crowned Tuesday night included Ohio University, Miami of Ohio, Providence, Michigan, Penn State, Louisiana State and Furman.

Ohio whipped Utah State 80-72 in the All-American City tourney at Owensboro, Ky. Miami of Ohio edged Miami of Florida 88-87 in overtime in the Hurricane tourney at Miami Beach. Providence won its own invitational meet by downing Boston College 67-60. Michigan racked up Detroit 93-68 for the Motor City title at Detroit.

Penn State beat Richmond 61-54 in the Richmond Invitational. LSU battered Mississippi 99-55 in the Gator Bowl final at Jacksonville. Furman topped Southwestern Louisiana 80-74, in the windup of the Watauga invitational at Johnson City, Tenn.

DEPTH BOMB — Displaying her championship form, Zale Parry, winner of the world's underwater depth diving championship, takes it easy on the beach at Silver Springs, Fla. A movie and television starlet to boot, Zale made her record dive of 209 feet off the California coast. But at the moment, the diving belle is relaxing between scenes of the television series "Sea Hunt."

COMEBACK FOR THE OO-MING-MACK—The oo-ming-mack is no longer in danger of extermination. Better known as the musk ox (oo-ming-mack is the Eskimo word), the animal is on the increase in experimental herds in Alaska and Canada. A few years back, the much-hunted animal was believed to have found its last home in Greenland. Efforts to establish herds in northern Europe and Iceland have failed. One drawback remains. Neither the wool nor the meat have any commercial value.

Arkansan and Two Texans Sentenced

HOUSTON Tex. (AP)—A Little Rock attorney and two Texans were sentenced yesterday in connection with the six million dollar U.S. Trust and Guaranty mail fraud case.

Willis V. Lewis, the Little Rock man, received a three-year suspended prison sentence and was placed on probation for five years. James Ray, 44, of Waco, and W.E. Hutchens, 44, of San Antonio, received two-year suspended sentences and were placed on probation for five years. Judge Joe Ingraham passed sentence in federal court here.

All three pleaded no contest (no contest) and were found guilty. Several prominent Arkansans appeared as character witnesses for Lewis and asked for clemency. Among them were C. Hamilton, Moses of Little Rock, former president of Arkansas Power and Light Co., and Pulaski Chancellor Guy E. Williams of Little Rock.

Lewis and six other officials of U.S. Trust and Guaranty, which had headquarters at Waco, were indicted in December, 1955, on charges of mail fraud.

Asst. Atty. Dan Kennerly said Lewis and the others misrepresented the value of stock in mail transactions.

Lewis was head of the Arkansas Fire and Marine Insurance Co., which Kennerly said was formed to assume some of the liabilities

Fans Get Ready for Bowl Games New Years Day

By THE ASSOCIATED PRESS

Wyoming, Louisiana State, Iowa, Oklahoma and Texas Christian are favored to win the major bowl games in college football's final big fling Wednesday and New Year's Day.

Wyoming (7-3) is a 3 1/2 point choice over Hardin-Simmons (6-4) in the Sun Bowl, which has the spotlight to itself today. This 24th annual affair will lure about 15,000 fans at El Paso, Texas. Kickoff time is 4 p.m. (EST).

The big guns start firing on Thursday before about 345,000 "live" fans and millions of television viewers around the country.

Louisiana State (10-0), the nation's No. 1 team, the only major college all-winning outfit, and the "Team of the Year" in The Associated Press year-end poll, is a 15 point choice over the Clemson Tigers (8-2) in the Sugar Bowl.

If Coach Frank Howard's Tigers knock off LSU it will go down as the most shocking bowl upset since Columbia stunned Stanford 7-0 in the 1934 Rose Bowl contest.

A crowd of 82,000 will see this one at New Orleans. It will be telecast by NBC (2 p.m. EST).

Iowa's Big Ten champions (7-1-1) are 18 points favorites over California's Golden Bears (7-3) in the Rose Bowl at Pasadena, Calif. A crowd of 100,000 is expected to see a wide-open contest with Iowa's speed demons led by All-America quarterback Randy Duncan and Cal paced by quarterback Joe Kapp.

This is the second half of an NBC TV doubleheader. Starting time is 5 p.m. (EST).

Oklahoma's deep Sooners (6-1) are rated 12 1/2 points over the Syracuse Orange (8-1) in the Orange Bowl at Miami. The ninth ranking New Yorkers are a team bent on a mission. An upset of the fifth-ranking Oklahomans would help ease the memory of the 61-6 shellacking Syracuse absorbed from Alabama in this same Orange Bowl in 1953.

A crowd of 76,000 will be on hand at Miami for the TV game. CBS, 1 p.m. (EST).

Texas Christian (8-1) is the 8 point favorite over the unbeaten one-tided Air Force Academy Falcons in the Cotton Bowl at Dallas. This game will be telecast by CBS following the Orange Bowl clash. It will start about 3:30 p.m. (EST) with about 75,000 fans on hand.

In a minor bowl Thursday, Prairie View of Texas (8-0-1) meets Langston of Oklahoma (4-3) in the Prairie View Bowl at Houston, before about 10,000 fans. Kickoff is set for 3 p.m. (EST).

Faubus May Pay for Review of Sentence

LITTLE ROCK (AP)—A convicted Negro slayer will get a review of his death sentence even if Gov. Orval E. Faubus has to pay the cost himself.

Faubus said yesterday that was his intention as he issued a reprieve for Lawrence Smith, 19, of Eudora, who was scheduled to die in the electric chair Friday morning for the robbery-slaying of a white farmer last summer.

The governor said Smith apparently was not able to pay the costs of an appeal and declared: "It looks like I will have to pay it out of my own pocket or get it from some of my friends."

At Tucker Prison Farm, Smith wept in his death row cell when he was told of the reprieve and the governor's statement that he might pay for an appeal.

"God bless him; god bless him," Smith cried. "Smith was convicted by a Circuit Court Jury at Lake Village of the rifle slaying of C.C. Cundiff, 58, a farmer, near Eudora."

Two Missing Duck Hunters Found

PINE BLUFF Ark. (AP)—Two young Magnolia duck hunters who had been listed as missing in the nearby Wabaska Senters area since Monday afternoon were found unharmed yesterday.

Maurice Lewis, Jr., 19, and Duane Davis, 22, left immediately for home.

A search for them was started yesterday when they failed to return home and Davis' car was found abandoned on a rural road.

U.S. Trust and Guaranty, which the judge said we should report to the federal probation officials at Little Rock Monday.
